**TRINITY PEAK 2.0 JACKET**

Our newly updated Trinity Peak 2.0 performs to the highest standards on the mountain. Eberlestock's proprietary Hellbender™ membrane with 30K Breathability and 30K Waterproof rating, provides superb breathability and moisture protection. Armpit zips shed heat and provide airflow while fully taped seams seal out precipitation. A helmet compatible hood and thumbhole storm cuffs ensure fitted protection throughout.

**Features:**

- Hellbender™ 30K/30K membrane
- YKK Aquaguard® zippers
- 5 ergonomically placed pockets
- Helmet compatible hood
- DWR finish

-  BLACK
-  LODEN
-  DRY EARTH
-  MOUNTAIN CAMO

RETAIL: \$299

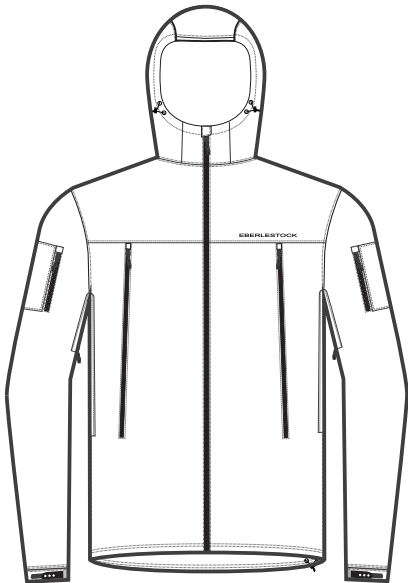

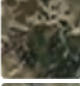

**SEVEN DEVILS RAIN SHELL**

This flagship shell is capable of enduring the wettest and harshest conditions on the mountain. The stretch, breathable, micro ripstop membrane moves with you and offers unparalleled protection against the elements. An adjustable wrist, waist and helmet compatible hood allow you to lock out moisture and wind. Pair with the Seven Devils Rain Pant™ for a lightweight, complete storm ready system.

**Features:**

- Durable stretch ripstop membrane
- YKK Aquaguard® zippers
- Stows into its own pocket
- Helmet compatible hood

-  FALL GREEN
-  DRY EARTH
-  GUN METAL
-  MOUNTAIN CAMO
-  SKYE CAMO
-  MIRAGE CAMO

RETAIL: \$389

**THUNDERBOLT MOUNTAIN PARKA**

The Thunderbolt Mountain Parka has all of the must-have features you would expect from our warmest insulation layer. 133g PrimaLoft® Gold Insulation in the body and 80g in the arms and hood, and 10K breathability / 10K waterproof rating with seam sealing. High cut hand pockets keep you warm and allow easy access even with a hip belt on. Adjustable cuffs, hem and hood keep you protected against any weather.

**Features:**

- PrimaLoft Gold® Insulation
- Underarm zippers for heat management
- Quiet, brush finished fabric
- DWR finish

PAYETTE DOWN HOODY

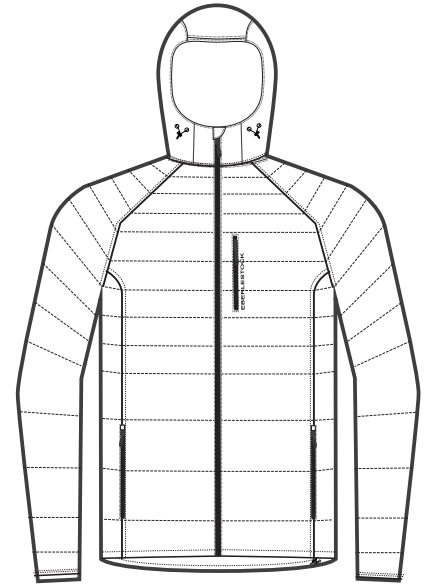

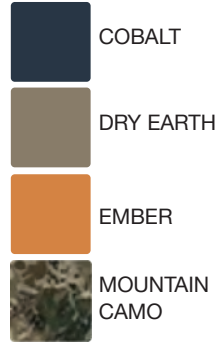

RETAIL: \$279

Containing 850+ fill, packable, hydrophobic down insulation, the Payette Down Hoody touts an impressive warmth to weight ratio and can be neatly stowed in its own right hand pocket. Lightweight, DWR treated, quilted micro ripstop preserves durability without adding weight. An adjustable waist and helmet compatible hood keep out the elements.

Features:

- 850+ fill hydrophobic down insulation
- Lightweight and packable
- Durable quilted ripstop fabric
- DWR finish

PAYETTE DOWN VEST

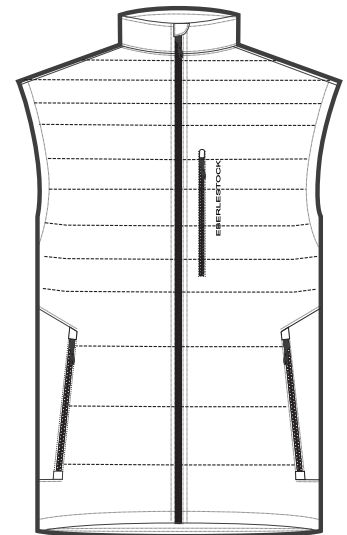

RETAIL: \$189

Containing 600+ fill, packable, hydrophobic down insulation, the Payette Down Vest™ touts an impressive warmth to weight ratio and can be neatly stowed in its own right hand pocket. Lightweight, DWR treated, quilted ripstop preserves durability without adding weight. Two zip side pockets, a right chest zip pocket and two inner stuff pockets provide ample storage.

Features:

- 600+ fill hydrophobic down insulation
- Lightweight and packable
- Durable quilted ripstop fabric
- DWR finish

BATTLE CREEK VEST

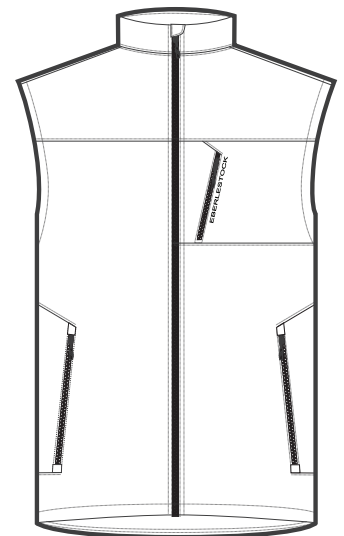

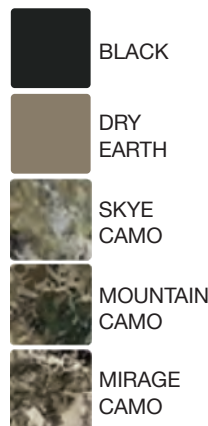

RETAIL: \$149

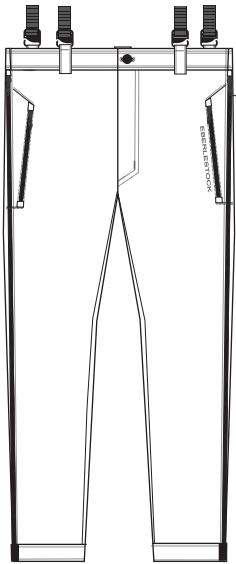

When an insulation layer is too much but your baselayer isn't enough, the Battle Creek Vest is the perfectly simple and efficient piece to keep you comfortable and mobile. With a low pile fleece for light insulation, the Battle Creek is perfect for early season, cool conditions in the mornings and evenings. An athletic, fitted cut and 4-way stretch fabric moves with you with minimal bulk or resistance.

Features:

- Premium, brushed, low pile fleece
- 4-way stretch, DWR outer shell
- Internal zip chest pocket
- 3 deep, fleece-lined outer pockets

-  BLACK
-  LODEN
-  DRY EARTH
-  MOUNTAIN CAMO

RETAIL: \$169

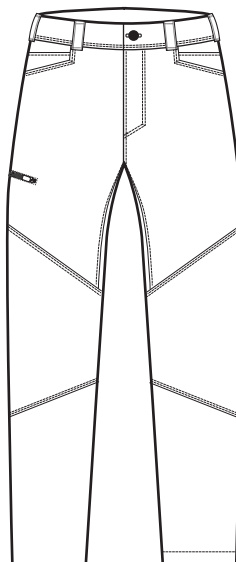

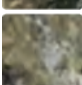

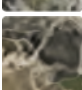

AFTERBURNER PANT

Technical, versatile, lightweight and built to last. The Afterburner™ pant brings the Eberlestock® approach to a great pair of hunting pants. Made of 4-way stretch polyester with a DWR finish, the Afterburners provide a fitted, athletic cut that gives unrestrained freedom of movement. Afterburners feature a gusseted crotch, darted knee construction, and a tapered cuff to keep debris out of your boots. Scuff guards on each cuff protect from abrasion.

Features:

- Thigh SpeedVents™ with bug screens
- Dual cargo pockets on right thigh
- Dual, secure, rear zip pockets
- Quiet, breathable, DWR finish fabric

-  GUN METAL
-  DRY EARTH
-  FALL GREEN
-  MOUNTAIN CAMO
-  SKYE CAMO
-  MIRAGE CAMO

RETAIL: \$119

SALMON RIVER PANT

Our most versatile pair of pants, fitting for the backcountry or as a perfect every day carry option. Featuring a lightweight and robust 4-way stretch fabric, the Salmon River Pant™ moves with you for unrestricted freedom. The Salmon River's feature seven pockets for all of your EDC needs, as well as seven belt loops to keep your pants riding comfortably without sagging. Finally, a DWR finish keeps you comfortable and dry.

Features:

- Zippered pocket on the right thigh
- Lightweight, tough design
- Gusseted crotch
- DWR Finish

RETAIL: \$129

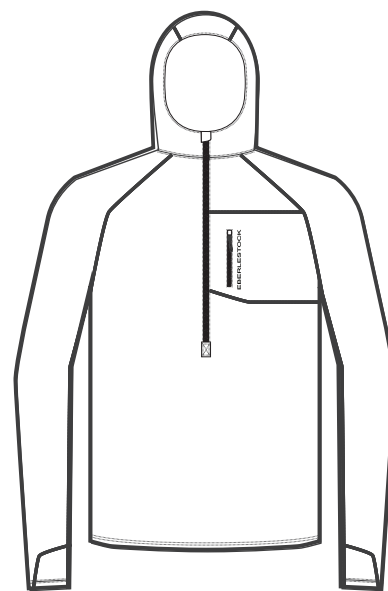

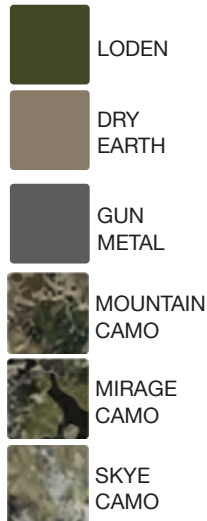

PIONEER HALF ZIP

The Pioneer Half-Zip™ offers supreme performance as a midlayer or next-to skin. The gridded fleece interior both insulates and wicks moisture to keep you warm and comfortable, and the synthetic blend outer fabric resists odor, is lightweight and fitted to move with you. Flatlock seams and a drop tail provide all day fitted comfort. A hood and thumbhole cuffs offer additional protection from the elements.

Features:

- Moisture wicking, breathable fabric
- Excellent mid or baselayer
- Left zip chest pocket
- Hood and thumbhole cuffs for coverage

RETAIL: \$109

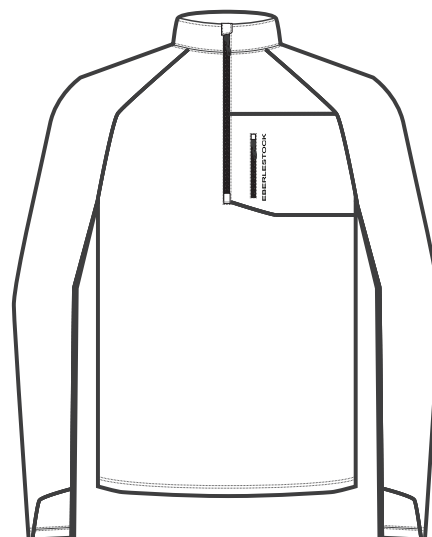

SELWAY MERINO WOOL QUARTER ZIP

Our proprietary Merino Wool synthetic blend combines the moisture wicking and antimicrobial properties of wool and adds quick drying, enhanced durability. The lightweight blend offers an excellent warmth to weight ratio and soft next to skin feel. Flatlock seams and a drop tail provide all day fitted comfort. Thumbhole cuffs and a UPF50+ rating offer excellent protection from the elements.

Features:

- Moisture wicking, breathable fabric
- Excellent mid or baselayer
- Left zip chest pocket
- Hood and thumbhole cuffs for coverage

RETAIL: \$79

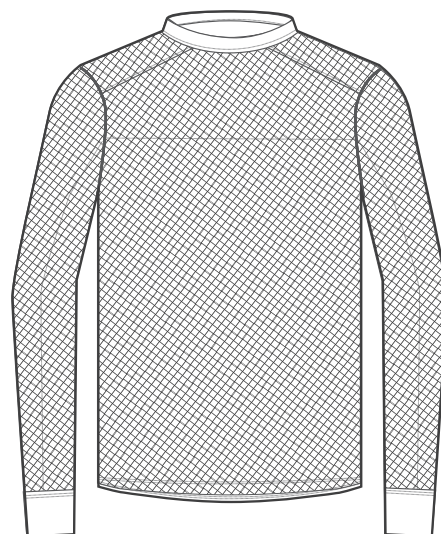

AIRBASE LONG SLEEVE

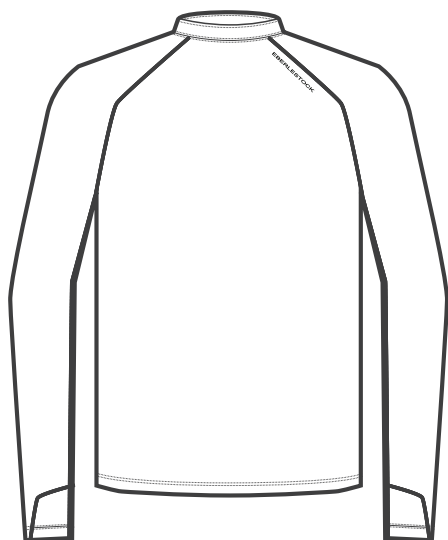

This Polypropylene knit top is an excellent next-to-skin baselayer: the mesh weave traps air for insulation and acts as an effective moisture-wicking material. As well, the airbase's unique construction dries quickly and insulates even while wet, and allows for thermoregulation simply by exposing the weave to the air or closing it in to trap heat.

Features:

- Fully taped seams and elastic waistband
- Antimicrobial, odor-resistant fabric
- Quick dry times and recovery
- 4-way stretch fabric

-  DRY EARTH
-  GUN METAL

RETAIL: \$99

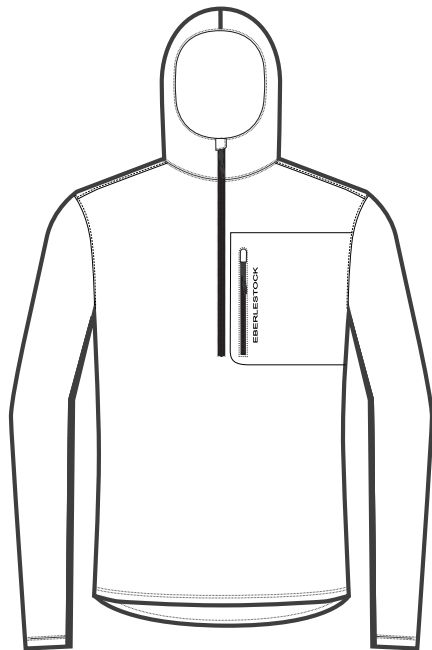

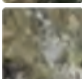

**SELWAY MERINO WOOL  
 LONG SLEEVE RAGLAN**

Our proprietary Merino Wool synthetic blend combines the moisture wicking and antimicrobial properties of wool and adds quick drying, enhanced durability. The lightweight blend offers an excellent warmth to weight ratio and soft next to skin feel. Flatlock seams, raglan cut, and a drop tail provide all day fitted comfort. Thumbhole cuffs and a UPF50+ rating offer excellent protection from the elements

**Features:**

- Merino/synthetic Wool blend
- Antimicrobial, odor resistant fabric
- UPF30+ protection
- Hood and thumbhole cuffs for coverage

-  LODEN
-  DRY EARTH
-  PHANTOM
-  MOUNTAIN CAMO
-  SKYE CAMO
-  MIRAGE CAMO

RETAIL: \$129

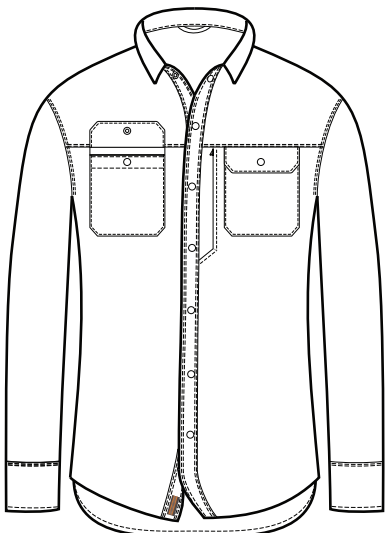

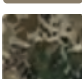

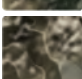

**BRUNEAU HOODY UPF**

The Bruneau Hoody™ has become our go-to, all purpose outdoor shirt. Stay in the hunt and out of the sun with it's UPF 30+ protection factor. Features include 4-way stretch polyester, long sleeves with thumbholes, a fitted hood, and half face panel zip. Its ultralight, moisture wicking stretch fabric make it a performance layer for any climate or environment. Regardless of where and how you hunt, the Bruneau Hoody will be your new favorite shirt that will keep you comfortable and protected.

**Features:**

- Ultralight 4-way stretch fabric
- Half face panel zip
- Fitted hood
- UPF 30+ protection

-  GUN METAL
-  DRY EARTH
-  MOUNTAIN CAMO
-  MIRAGE CAMO
-  SKYE CAMO

RETAIL: \$79

**OWYHEE LONG SLEEVE**

Whether you're out fishing, hiking, or hunting, the Owyhee Field Shirt™ will keep you cool in the warmer seasons and is perfect for upland game hunts. Lightweight, noise reducing fabric maintains durability against abrasion. The full front snap buttons allow for quick and easy wear. Dual chest pockets allow stowage of small items, and a vented, caped back allow for constant heat displacement and breathability. 4-way stretch fabric allows freedom of movement in harsh terrain.

**Features:**

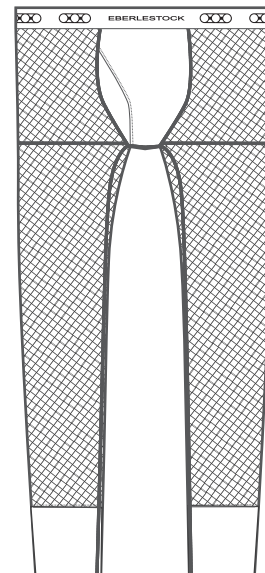

- Heat displacing caped back
- Quiet brushed finish fabric
- Dual chest pockets & quick zip pocket
- 4-way stretch fabric

## AIRBASE PANT

RETAIL: \$69

This Polypropylene knit pant is an excellent next-to-skin baselayer: the mesh weave traps air for insulation and acts as an effective moisture-wicking material. As well, the airbase's unique construction dries quickly and insulates even while wet, and allows for thermoregulation simply by exposing the weave to the air or closing it in to trap heat.

### Features:

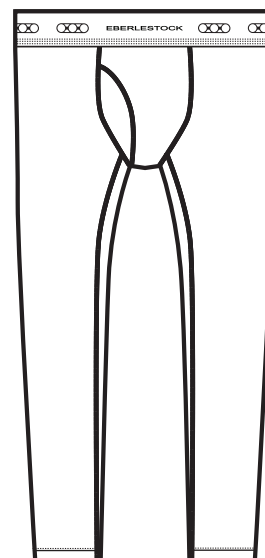

- Fully taped seams and elastic waistband
- Antimicrobial, odor-resistant fabric
- Quick dry times and recovery
- 4-way stretch fabric

## SELWAY MERINO WOOL PANT

RETAIL: \$99

Our proprietary Merino Wool synthetic blend combines the moisture-wicking and antimicrobial properties of wool and adds enhanced durability and dries quickly. The lightweight blend additionally offers an excellent warmth to weight ratio and soft next to skin feel. Flatlock seams and a front fly pouch provide all day support and comfort.

### Features:

- Merino/synthetic Wool blend
- Antimicrobial, odor resistant fabric
- Moisture wicking and quick drying
- Flatlock seams and front fly pouch

COBALT

RETAIL: \$31

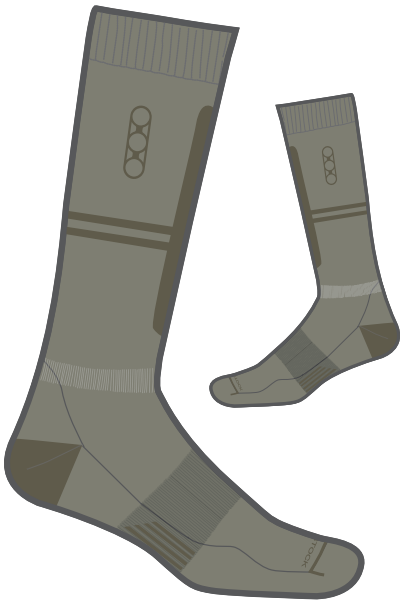

MOUNTAIN SOCK | ONE

The Eberlestock Mountain Sock will help you stay on the hunt for longer than ever before. Heavy cushioning and a breathability will help minimize blisters and maximize moisture management keeping feet comfortable in your pursuit.

Features:

**EBERLESTOCK WINTER GLOVE**

Eberlestock winter gloves are the waterproof, breathable, and feature-packed handwear choice for long days in wintry conditions, complete with convenient features to keep your hands dry and toasty. 3M™ Thinsulate™ insulation retains heat in wet and cold conditions. Our proprietary Hellbender™ (30k waterproof/30k breathable) tri-layer fabric keeps out the elements but remains extremely breathable and flexible while the palm reinforcement resists wear and abrasion from ski and trekking poles.

Features:

- 3M™ Thinsulate™ insulated
- Goat leather reinforced fingers and palm
- Gauntlet cuffs can be cinched shut to keep snow out
- Glove leash and pull-on loop for easy on/off

-  DRY EARTH
-  GUN METAL
-  MOUNTAIN CAMO
-  SKYE CAMO

RETAIL: \$129

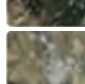

**POLAR MITT**

Our Polar Mitts feature everything you need for long days on the hunt in the snow and cold evenings at camp. The waterproof, goat leather, 3M™ Thinsulate™ insulated mitt includes Nomex® fingerless liners, and the fold down mitten hood provides access to your bow, rifle or when you need maximum dexterity. Our proprietary Hellbender™ (30k waterproof/30k breathable) tri-layer fabric keeps out the elements but remains extremely breathable and flexible while the palm reinforcement resists wear and abrasion from ski and trekking poles.

Features:

- 3M™ Thinsulate™ insulated
- Fold-down mitten hood w/magnetic closures
- Velcro storm cuff prevents wind and cold from getting in
- Hellbender™ waterproof, breathable, stretch fabric

-  DRY EARTH
-  GUN METAL
-  MILITARY GREEN
-  MOUNTAIN CAMO
